ANNOUNCEMENT

We are happy to announce that we have purchased the Drug Store formerly operated as the Drug Shop across the street from the Troy Tavern Hotel, in the Edge Hospital and Clinic Building in Troy, Ala.

We are operating a modern and up-to-date Drug Store, Prescriptions, Sundries and Soda Fountain. Every item in our store is brand new - less than 90 days old.

Our prescription department is under the supervision of Mr. W. T. Whitman, Registered Pharmacist with more than 30 years experience in some of the biggest and best Drug stores in Alabama—most of it in this immediate section. He is anxious to serve his friends in this new location. We cordially invite all of our friends especially the many fine Coffee County citizens to call on us when in Troy, and we want you to know that we will be glad for you to make our store your headquarters when in Troy.

WHITMAN PHARMACY

W. T. Whitman W. T. Whitman, Jr.

CARD OF THANKS

We take this means of trying in a measure to express our heartfelt thanks and gratitude to the many friends and neighbors who so unselfishly ministered to us with their presence as well as their deeds of kindness and sympathy and the beautiful floral offerings in the recent death of our husband, son and brother, H. K. Daniel.

Mr. and Mrs. W. J. Daniel, Mrs. H. K. Daniel, Mrs. Maudie Ree Spurlin, Mr. and Mrs. Tommie Daniel, Mr. and Mrs. Rufus Knotts and families.

Such neighborly love will not be forgotten but will become more cherished in years to come. May God's richest blessings be upon you.

Mr. and Mrs. W. J. Daniel, Mrs. H. K. Daniel, Mrs. Maudie Ree Spurlin, Mr. and Mrs. Tommie Daniel, Mr. and Mrs. Rufus Knotts and families.

MANAGED WOODLANDS BRING \$3,000,000

This year nearly 2,000 farmers were assisted by eight APT extension timber marketing specialists in selling almost \$3,000,000 worth of timber.

The money was obtained from the sale of timber in woodlands marked for selective cutting. When this practice is followed woodlands are left well stocked with trees to produce more timber.

Farmers who requested help from these specialists saved 34,000 acres of timber that would have been too young to cut. The specialists advised farmers how to improve stands on 41,000 acres. They examined and made management recommendations on a total of 503,354 acres.

I. R. Martin, APT extension forester says that these specialists will give timber owners technical advice and assistance on farm woodland management and marketing problems, assist sawmill operators in finding timber for sale, and help any woodland owner who requests assistance from them directly or through the county agent.

Try dissolving the soap in boiling water before adding it in the washing machine. The liquid soap does a better job.

Figures compiled by the state Bureau of Vital Statistics show that more than half of the babies who died last year during the first 12 months of their lives succumbed within one week after birth.

The report shows that of the 3,229 infant deaths in Alabama last year, 1,837 came within the first week of life. Premature birth headed the list of top causes of infant deaths with 1,026 during the last fiscal year. In second place were respiratory diseases which took the lives of 371 infants.

Sweet peas and pansies should be protected with a cover of straw or leaves during hard freezes.

YOU CAN HAVE A STREAMLINED KITCHEN TOO

Why be content with a old fashioned, badly equipped kitchen when, for a comparatively modest sum, we can streamline it for you to save you steps and money, too. Give us a ring. We'll be glad to plan your kitchen modernization complete with brand new equipment installed. We'll be glad to talk it over with you at any time.

Thanks to many people for many things

THIS IS THE SEASON OF THANKSGIVING...

And there is much for which we can all be thankful in this great country of ours.

Certainly we are thankful for a bountiful harvest of grain and corn, for a high level of production and employment, for a standard of living that is the envy of the world.

Most of all, perhaps, we are grateful for our American heritage... freedom of opportunity, freedom of choice, freedom to think and worship according to our own beliefs.

We feel as a Chevrolet dealer it is an appropriate time to convey our sincere appreciation to the people of this community for their loyalty, patience and understanding.

For Despite Chevrolet's production of more cars and trucks during 1948 than any other manufacturer there is still a long "waiting list" for America's most-wanted cars and trucks.

Chevrolet is doing everything within its power to maintain and increase production. Meantime, we would like to express our thanks...

Thanks to Buyers and Prospective Buyers of New Chevrolets for your generous recognition of the honest value built into this first-choice car in the low-priced field. More people have bought Chevrolet cars and trucks, during the eighteen-year period from 1931 to date, than have bought the cars and trucks of any other manufacturer.

Thanks to Those Who Are Waiting for Orders to be filled for your patience and understanding. You can be sure we are doing our best to treat all customers fairly... doing our best to speed the day when we can give you the good news, "Your waiting days are over!"

Thanks to Service Customers for the opportunity to keep your present cars in safe driving condition. We have tried to serve you well, and appreciate your patronage.

Thanks to all whose friendship and favor have helped maintain Chevrolet's leadership...

Thanks for your patronage which has made

GARRETT MOTOR CO.
Elba, Alabama

USE DELICIOUS PECANS WHILE THEY ARE CHEAP

Alabama housewives are finding pecans plentiful in all the food stores at this time.

With the total crop nearly two and a half times the last year crop, budget-minded housewives will want to keep pecans at the top of the food list for a while.

On October 1, the U. S. Dept. of Agriculture set the prospective crop of improved variety pecans in Alabama at 14,400,000 pounds and the seedling crop at 3,600,000 pounds. Last year's crop totaled only 7,440,000 pounds.

Mary Hulsey, extension nutritionist, stresses the fact that nuts contain high quality protein as well as fat, B vitamins and some iron and calcium. When nuts are combined with other ingredients in a main dish such as a nut loaf, they can be used as a substitute for meat or other protein foods.

Once water reaches the boiling point, it cannot go higher in an ordinary cooking vessel, although a rolling boil may appear to cook faster than an even boil. Turning up the heat to make water boil faster is only a waste of fuel.

TRACTOR SCHOOL HELD FOR ALABAMA FARMERS

Last year's County Agents reported that approximately 1,500 farm people attended demonstrations to how to properly service and maintain tractors. This year's attendance will probably go higher. Alabama farmers own approximately 28,000 tractors. Many of these tractors are operated, serviced and maintained by farmers themselves.

For efficient service, the owner of a new tractor should learn why such jobs as changing the oil and oil filter are necessary. Many dollars are spent needlessly each year for fuel, lubricants, and repairs due to lack of proper maintenance and service of the farm tractor.

Those who have not found out how to avoid this expense should see the County Agent and plan to attend the next tractor school or other protein foods.

NEW CHEMICAL USED TO DEHORN CALVES
A new and better way to dehorn a calf is recommended by the U. S. D. A. Regional Animal Disease Research Laboratory, at Auburn.

The dehorning material resembles clear fungicidal polish and is applied in a like manner. Ask your druggist for the chemical used to dehorn calves that contains 28 per cent antimony trichloride, 7 per cent salicylic acid, and 65 per cent USP flexible collodion.

MULCHING THE GARDEN
If the winter stays too wet to work over a long period of time weeds may starve out the vegetables. Why not use a mulch?

MRS. WHITMAN ENTERTAINS

Mrs. Jim Whitman entertained a group of the younger social set at a delightful party Tuesday evening, honoring her son, Buddy, on his birthday.

Games and contests were the diversions of the evening. Ice cream and cake were served.

Guests included: Buddy Whitman, Freddie Rainer, Sam Young, Carlton Whitman, Joel Murphree, Bobby Bullard, Olen Kearse, Ben Johnson, Ben Frank Conner, Buddy Windham, Doris Carpenter, Joanne Thomason, Laverne Perkins, Jean Taylor, Frances Miles, Betty Maddox, and Evelyn Sege.

Faber Kearse of the U. S. Navy is at home to spend the Thanksgiving holidays with his mother, Mrs. Marie Kearse. Faber is stationed at San Diego, Cal. and he expects to go to Japan within the next three months.

Mr. and Mrs. Jim Whitman and Buddy visited in Montgomery Friday.

Mrs. Wesley Ham spent two days in Montgomery last week at the bedside of her brother who is seriously ill.

Mr. and Mrs. Jack Mathews and daughter Susan of Montgomery, were week-end guests of Mrs. Mathews parents, Mr. and Mrs. J. V. Wright.

Mr. and Mrs. Harold Deal, Mr. and Mrs. John Glen Lee, Mr. T. B. Bryan, Mr. and Mrs. Fountain Lee, Mr. G. P. Miles, Mr. Sam Sawyer, Mr. Leon Maddox, Mr. Alva Devane, and Mr. Albert Reeves were among those who attended the Troy-Enterprise football game Friday night.

Mr. and Mrs. Marshall Reddoch and Mrs. Roger Winston visited in Montgomery Thursday.

Golden Harvest

Before you can reap your harvest you must cultivate your crops. You should cultivate a saving habit too, and in later years your Golden Harvest will come in handy.

FACULTY CLUB

On Wednesday evening, Nov. 17, the Elba Faculty club was delightfully entertained by Mrs. A. C. Dunaway, Miss Lillian Morris and Mr. K. G. Crook at the home of Mrs. Dunaway.

Bronze and yellow chrysanthemums were used in decoration. The social hour preceded the business meeting and program.

At this time a salad plate and coffee were served. Mrs. Bryan Taylor, president, called the meeting to order and presided. Supt. J. C. Dixon appointed committees to serve in making plans for the first basketball game in the new gym. He discussed other matters pertaining to the school.

Mrs. Iris Paul directed the program which consisted of a talk on "Recent Improvements in the Schools" by Mrs. Lamar Rainer. The main topics discussed by Mrs. Rainer were: the school lunch room and how to induce children to accept the responsibility of making and keeping the school rooms and grounds attractive.

An interesting and helpful talk on "Desirable Social Habits" was given by Miss Jessie Lee. She asked the questions, "What are desirable social habits?" and "What can we, as teachers, do to improve behavior?" She, in turn, gave authoritative answers.

"Nutrition" was the subject assigned to Mrs. Mayo Prescott. She defined nutrition and emphasized ways in which teachers can improve food habits.

An outstanding feature of the program was a film, showing the values of foods and proper methods of cooking. Mrs. Wade Majors was a guest of the club and presented the film.

The next club meeting will be a Christmas party and will be held at the school building.

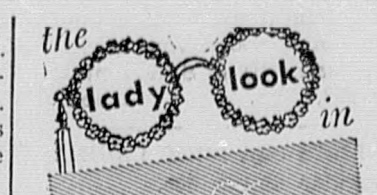

Mr. and Mrs. Henry Osburn Lubert announced the birth of a daughter, Corhee Jennie, on November 15th at Gibsons Hospital.

Mr. and Mrs. Horace Thames of Winter Garden, Fla., visited Mrs. Thames' parents, Mr. and Mrs. Sam King over the week-end.

Mrs. Roy Dyne and Miss Martha Vaughan visited Mrs. Harrison Franklin in Columbus, Ga. during the week-end.

Mr. and Mrs. Wallace Wyatt and daughter of Brundidge were guests of Mrs. Wyatt's parents, Mr. and Mrs. Lotus Ham Sat.

Mrs. Phil Creigler of Eglin Field, Florida is visiting in the home of her father, Mr. Wiley J. Bullard.

THE BIBLE SPEAKS
By DR. KENNETH J. FOREMAN
Scripture: Isaiah 55:1-3; Matthew 13:31-33; Luke 10:23-27; 12:23-25; 13:10-16, 21-22
God's Story-Teller
Lesson for November 28, 1948
"TRUTH in a tale," it is said, "will enter in at lowly doors." The greatest truth of the entire Bible does not come to us in the shape of an essay, but in the shape of a story—the story of Jesus.
The gospel did not appear on the editorial page but on the news pages. Many people can understand essays; millions more can understand a story. Jesus himself, when he gave the world his message, used stories to do it. We are told that he never made a tale to the people without using a parable. The parables of the Bible are simple stories, often no more than a sentence long.
They are all alike in this: Whatever the story may be, there is more in it than meets the eye. Parables were not a form of entertainment; they were a way of teaching.

No Cause Is Lost
SOMETIMES the teller of a parable would explain what he meant, as Isaiah does with his little song of the vineyard. Sometimes, and most often in Jesus' case, the meaning is so plain that only a very stupid person could miss it.
Matthew arranges several of Jesus' parables in pairs; one of these is the twin story of the mustard seed and the yeast in the meal (Matt. 13:31-33). Both mean the same thing, and both are so obvious that Jesus did not think it necessary to explain them.
The Kingdom of Heaven—the ideal world, the world as God intends it to be—is a living thing, a growing thing, something at first small, almost invisible. But it will grow; you cannot stop it.
So the ideal world, the Kingdom of Heaven, Jesus hints is not an artificial thing, it cannot be constructed by blueprints. It has to follow the course of living things. It does not come all of a sudden, it grows very quietly. You might not see the seed in the ground, but the farmer knows it is there.

Pearl of Great Price
SOMETIMES two or three of Jesus' parables are like a multi-faceted gem. The twin stories of the pearl worth more than the jeweler's whole collection, and of the treasure hidden in the field, are very much alike, yet just a little different in meaning.
Both tell us that the Kingdom of God is more valuable than anything else on earth; indeed, it includes everything else of value. But the stories are different. One tells of a man who was looking for something, the other tells of a man who was surprised by finding something.
Once a Chinese gentleman became dissatisfied with his inherited Confucianism, and set out to find a better religion. For years he shopped around, never finding what he needed. He left Christianity to the last, for in his section of China only coolies and peasants were Christians. But when he began to make friends with some real Christians, he was overjoyed. This was what he had been looking for. This was the pearl of great price.
On the other hand, a drunken sailor, certainly not looking for religion, wandered one night into a Salvation Army meeting. They could do nothing with him, but before they dragged him off to the lodging-house one of them slipped a bit of paper into his pocket. The next morning, cold sober, wondering where he was, he put his hand into that pocket and pulled the paper out. On it were pencilled three words: God loves you. It hit him right between the eyes; and he became a Christian. That same "treasure hid in the field."

How Far Will Love Go?
JESUS' contemporaries told parables too, but they have all been forgotten. Jesus' parables are incomparable, unforgettable, immortal. If Jesus had been known for nothing else, he would have been remembered for the four stories of the Good Samaritan, the Lost Sheep, the Lost Coin, the Lost Son.
These all have much the same point. "Lost" does not mean hopelessly doomed. How many persons we give up as hopeless! But God never gives up any one. A "lost" person is one whom God is seeking.
